Industry Circular No. 63-16

August 22, 1963

## REVISED FORM 2733, MONTHLY REPORT OF BOTTLING PREMISES OPERATIONS

Proprietors of Distilled Spirits Plants  
and others concerned:

This circular is issued to inform you of a printing error in Footnote 1 of the latest revision of Form 2733, Monthly Report of Bottling Premises Operations.

The July 1963 revision of Form 2733 added a new Footnote 1 to the form which should read "Report only in Part II (at line 22 or 23, appropriately identified) bottled spirits received on bottling premises for relabeling or restamping without rebottling." In setting up the form for printing the word "appropriately" was erroneously changed to "approximately." Footnote 1 will be corrected at the next printing of Form 2733.
